

# Been Touched?

**Have you or someone you know been touched by United Way?  
Consider sharing your story!**

We are looking for individuals whose life has been impacted by United Way to share their story. The best way to help others understand the critical work that United Way is doing is to hear about the difference a United Way program has made in your life. Please consider sharing with your fellow employees too!

If you are interested in sharing your story, send it via email to [shaupt@unitedwaymc.org](mailto:shaupt@unitedwaymc.org). If you wish to remain anonymous, please mail your story to United Way, Attn: Sue Haupt, 137 River Drive, Wausau, WI 54403.
