# Independent Auditors' Report

Board of Directors United Way of Marathon County, Inc. Wausau, Wisconsin

### Opinion

We have audited the accompanying financial statements of United Way of Marathon County, Inc. (Organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Note 1 - Summary of Significant Accounting Policies

This summary of significant accounting policies of United Way of Marathon County, Inc. (Organization) is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

## **Nature of Operations**

The Organization is a non-profit Wisconsin corporation organized under Chapter 181 of the Wisconsin Statutes and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The entity is also exempt from Wisconsin income taxes. The Organization is a community-based volunteer Organization whose purpose is to provide leadership to maximize Marathon County's capacity to address the human care needs of its residents.

#### **Basis of Accounting**

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenue is recognized when earned rather than received and expenses are recognized when incurred rather than when paid.

#### Cash

For purposes of reporting cash flows, cash is defined as cash on hand, amounts held in financial institutions and investments with a maturity of three months or less when purchased. The Organization maintains its bank accounts at one financial institution. Aggregate accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2024, the Organization had uninsured cash of \$509,309.

The Organization has restricted cash for the agency liability for the Workforce Volunteer Council in the amount of \$37,141 and \$45,988 at December 31, 2024 and 2023, respectively.

#### **Receivables and Credit Policy**

Contributions, grants, accounts receivable – other, and interest receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on a 10-year historical average adjusted by management estimates of current economic factors. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to contributions receivable.

#### **Property, Equipment and Depreciation**

Purchased property and equipment are recorded at cost or fair market value if donated. Major expenditures for equipment and those which substantially increase useful lives are capitalized. Maintenance, repairs, and minor renewals are expensed when incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and resulting gains or losses are included in income. Depreciation is computed on a straight-line method over the estimated useful lives of the assets, as detailed below:

| Assets                  | Years |
|-------------------------|-------|
| Leasehold Improvements  | 15    |
| Furniture and Equipment | 5     |

Property and equipment and expenditures for major renewals and betterments over \$1,000 that extend the useful lives of the assets are capitalized.

# Note 1 - Summary of Significant Accounting Policies (Continued)

#### **Revenue and Revenue Recognition**

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- A barrier that is more than trivial and must be overcome before the revenue can be earned and recognized.
- An implicit right of return of assets transferred or a right of release of a donor's or grantor's obligation to transfer assets promised, if the condition is not met.

Conditional contributions are recognized when the barriers to entitlement are overcome. Unconditional contributions are recognized as revenue when received.

Unconditional contributions or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor are recorded as support with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### **Public Support and Impact Grants to Organizations**

Annual campaigns are conducted each fall to raise support for the following year's impact grants to participating agencies and grantees. All campaign contributions are considered net assets with donor restrictions for use in the following year and are released from restriction in the current year to the extent of impact grants approved for the following year. Unconditional promises to give are recorded as receivables in the year pledged. Conditional promises to give are recognized only when the conditions on which they depend are substantially met. Promises to give whose eventual uses are restricted by the donors are recorded as increases in with donor restrictions. Unconditional promises to give to be collected in future periods are also recorded as an increase to with donor restrictions and reclassified to without donor restrictions when received, unless the donor's intention is to support current-period activities. Contribution income is recognized in the year that the unconditional promise is received. Impact grants payable to agencies and grantees are recorded in the financial statements at the time of approval by the Board of Directors, which is usually in the year of the campaign, by recording an expense and a liability in equal amounts. The Organization may approve multi-year allocations and consider future allocations beyond two years to be conditional based on the success of the campaign.

Contributed marketable securities, materials, equipment, and services requiring specific expertise are recorded as contributions at their estimated fair values at the date of the donation. There were no such items for the years ended December 31, 2024 and 2023.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. No amounts have been reflected in the financial statements for these donated services since they do not meet the criteria for recognition.

# Note 1 - Summary of Significant Accounting Policies (Continued)

#### **Financial Statements Presentation**

The Organization presents its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of United Way of Marathon County, Inc.'s management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of United Way of Marathon County, Inc. or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Organization currently does not have any net assets with donor restrictions that are perpetual in nature.

#### **Unemployment Compensation**

The Organization has elected reimbursement financing under provisions of the Wisconsin unemployment compensation laws. The Organization maintains a \$15,000 certificate of deposit in escrow to meet state funding requirements. The certificate of deposit expires October 1, 2025.

#### Income Taxes

The Organization is a charitable organization under Section 501(c)(3) of the Internal Revenue Code, and thus is exempt from income taxes. Gifts, grants and bequests are deductible by donors within limitations of the Internal Revenue Code. The Organization is subject to a tax on income from any unrelated activities. No unrelated activities were identified in the current year. The Organization continually evaluates its tax positions, changes in tax law and new authoritative rulings for potential implications to its tax status.

#### Leases

The Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, Leases) to increase transparency and comparability among organizations by requiring the recognition of right-ofuse (ROU) assets and lease liabilities on the statement of financial position. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of the financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

Ass allowed under the standard, the Organization elects the discount rate practical expedient that allows for the use of a risk-free rate as the discount rate for all leases by asset class. The Organization also elects the practical expedient which allows the Organization to account for lease and non-lease components as a single lease. The Organization elects not to apply the recognition requirements to short-term leases.

December 31, 2024 and 2023

### Note 1 - Summary of Significant Accounting Policies (Continued)

#### Expense Allocation

Program expenses are charged in these functional expense areas based on time studies of actual time incurred for the following categories:

Community Impact - Service projects, agency communications, and impact team process.

**Management and general** - All general office administration and procedures, including general purpose Board meetings and executive committee meetings.

Fundraising - Campaign and other fundraising activities.

Program expenses are charged directly to the following functions:

**Community services** - Community coalitions, initiatives, programs, and projects housed within the Organization such as: Early Years, Emerging Leaders, Housing and Homeless Coalition, Hunger Coalition, LIFE, Partnership in Youth, Ready to Read, Retire United, and Women United.

**211** - Telephone referral service of professional service providers and sources of funding.

Volunteer services - Volunteer connection program.

**RSVP** - Volunteer program involving persons aged 55 or older.

#### Agency Fund

The Organization is holding funds for the Workplace Volunteer Council, which is not part of United Way of Marathon County, Inc. These funds do not belong to the Organization and are currently being held in a separate bank account. The funds will be provided to the Council upon request.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## Measure of Operations

The statements of activities report all changes in net assets, including changes in net assets from operating activities and other changes. Operating activities consist of those items attributable to United Way of Marathon County, Inc.'s ongoing services and interest earned on investments. Other changes are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

#### Reclassification

Certain prior year amounts have been reclassified to conform to the current year presentation with no impact on the change in net assets as previously reported.

#### Subsequent Events

The Organization has evaluated subsequent events through May 5, 2025, the date which the financial statements were available to be issued.

Notes to Financial Statements December 31, 2024 and 2023

# Note 2 - Availability and Liquidity

The following represents United Way of Marathon County, Inc.'s financial assets at December 31:

|   | 2024            | 2023            |
|---|-----------------|-----------------|
| Financial assets at year end:                           |                 |                 |
| Cash  | \$<br>469,465   | \$<br>701,314   |
| Certificates of Deposit                                 | 1,184,983       | 1,151,118       |
| Investments   | 864,815         | 794,804         |
| Accounts Receivable - Other                             | 75,723          | 50,418          |
| Unconditional Promises to Give                          | 1,538,887       | 1,430,885       |
| Total financial assets                                  | <br>4,133,873   | <br>4,128,539   |
| Less amounts not available to be used within one year:  |                 |                 |
| Net assets with donor restrictions                      | 1,240,895       | 1,147,324       |
| Less net assets with purpose restrictions to be met     |                 |                 |
| in less than one year                                   | (1,240,895)     | <br>(1,147,324) |
|   | <br>-           | <br>-           |
| Financial assets available to meet general expenditures |                 |                 |
| over the next twelve months                             | \$<br>4,133,873 | \$<br>4,128,539 |

The Organization's goal is generally to maintain financial assets to meet 90 days of operating expenses. As part of its liquidity plan, excess cash is invested in certificates of deposits or investment accounts.

#### Note 3 - Fair Value Measurements

Financial Accounting Standards Board Codification of Accounting Pronouncements, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Organization has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Organization classifies its beneficial interest in assets held by the Community Foundation as Level 3 because the assets are valued by the Community Foundation and it is not possible to determine a daily value of the Organization's portion of the commingled investment portfolio.

Notes to Financial Statements December 31, 2024 and 2023

## Note 3 - Fair Value Measurements (Continued)

## Note 4 - Beneficial Interest in Assets Held by Others

#### The United Way Endowment Fund

On August 29, 1991, the Organization entered into an agreement with the Community Foundation of North Central Wisconsin to establish an endowment fund. Pursuant to the terms of the agreement, the Organization contributed donor-restricted funds to the Foundation on August 30, 1991. The purpose of the fund is to further carry out the charitable purposes of the Organization and the Foundation. The fund is designated by the Foundation as "The United Way Endowment Fund." The Foundation has powers necessary to carry out the purposes of the fund, including the powers to invest and reinvest monies.

The Organization's Board of Directors may recommend and request distribution of all or part of the endowment; however, ultimate expenditures are the responsibility of the Foundation. Upon the Organization's written request, the Foundation shall distribute the funds of the endowment fund.

The Foundation receives an annual fee from 1% to 1.5% of the average value of assets managed under \$100,000, depending on the fund, and 1% of the average value of assets managed over \$100,000, regardless of the fund.

The Organization has recorded an asset for the fair value of the funds transferred by the Organization to the Foundation to establish the endowment for the benefit of the Organization. The endowment fund's contribution income from other donors, where variance power is not granted to the Foundation, is recognized by the Organization, including the fund's earnings and expenses.

Notes to Financial Statements December 31, 2024 and 2023

## Note 4 - Beneficial Interest in Assets Held by Others (Continued)

An analysis of the activity of the endowment fund is as follows:

|   | <br>2024      | <br>2023      |
|---|---------------|---------------|
| Support and revenue:                            |               |               |

## United Way Leave a Legacy Fund

On January 1, 2001, a donor contributed to the Foundation assets in the amount of \$500,000 intended to establish the United Way Leave a Legacy Fund (the "Fund"). The Fund is established for the purpose of providing lasting support of the Organization's annual fund-raising campaign. The Foundation has been granted variance power by the donor, which includes all powers necessary to carry out the purposes of the Fund, including the powers to invest, reinvest, and expend monies. As a result, these assets are not reflected on the financial statements of the Organization.

The Organization's Board of Directors, based on operating needs, may recommend and request distribution from the Fund; however, ultimate expenditures are the responsibility of the Foundation. Distributions from the Fund will not normally exceed the income for any fiscal period unless there are unusual circumstances that justify a distribution of principal.

The Foundation receives an annual fee of 1.5% of the average value of assets managed under \$100,000 and 1% of the average of assets managed over \$100,000.

Notes to Financial Statements December 31, 2024 and 2023

# Note 4 - Beneficial Interest in Assets Held by Others (Continued)

An analysis of the activity of the Fund maintained at the Foundation is as follows:

|   | 2024 |         | 2023 |         |
|---|------|---------|------|---------|
| Support and revenue:                            |      |         |      |         |
| Investment income                               | \$   | -       | \$   | 14,699  |
| Net realized and unrealized gain on investments |      | 73,386  |      | 80,497  |
