

# Community Closet Volunteers

Help us lift a financial burden from Marathon County families by volunteering in the community closets! Spend a few hours or more sorting, organizing, cleaning, and filling orders so families in need can receive new or gently used clothing at no cost. Ongoing or one-time options available!

## 2023 Spring Transition Dates:

**Monday, April 3 and Tuesday, April 4**

Assist in changing closet inventory from winter to spring/summer!
