This is a great opportunity for businesses, colleges, and organizations to network with high school students to offer information about hiring and career options. Additionally, any businesses that offer Youth Apprenticeships, summer employment, or part-time employment for teens will be able to network with youth seeking employment.

Each vendor will receive one 8-foot table and two chairs.

There is EXTREMELY limited access to outlets. If you need an outlet you need to provide your own extension cords.

Parking and day of information will be sent to all registrants prior to the event.
